**Lucent Led Lighting** delivers professional lighting solutions for commercial, industrial and residential markets. We offer state of the art designs and unique products based on research and development to culminate in quality and superior product line. Following rigorous post production testing, we market internationally due to their wide voltage rating capability. These lights are manufactured by professional and skilled workforce, under the leadership of well organized management structure. We specialize in modern & architectural LED lightings, for indoors, outdoors and landscape applications. Our lighting products are being innovated continuously by developing novel and valuable lighting options. Our products have earned country specific certification standards such as: CE, ROHS, TUV, SAA, UL, ETL etc.

By using advanced production equipments and precision testing methodology, quality checks are maintained throughout the process - IP test system, Photoelectricity, Goniophotometer ,High and low EMC test systems. We strive for quality, good business practices whilst continuing to constantly commit by providing better quality and service for integrating system and temperature tests.

**Material:**  
Aluminium body with opal PC

**Voltage:**  
100-240V / 50-60Hz

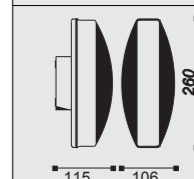

**LED Qty / Watt:**  
42xLED / 6W

**LED Type:**  
2835 SMD LED

**Luminous Flux:**  
800lm 3000K / 880lm 6000K

**Safety Class:**  
I

**IP Protect:**  
IP54

1841

Adjustable

**Material:**  
Aluminium body with opal PC

**Voltage:**  
100-240V / 50-60Hz

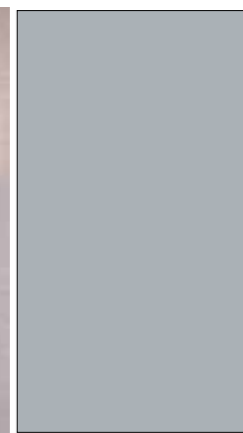

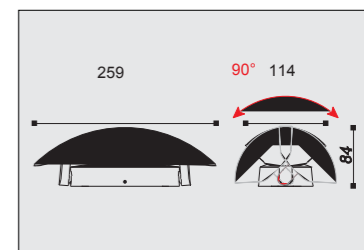

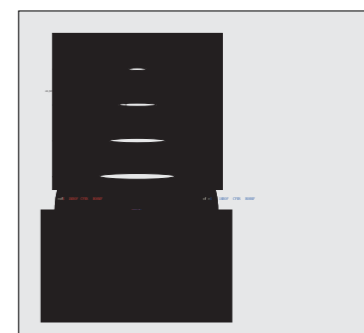

**LED Qty / Watt:**  
27xLED / 9W

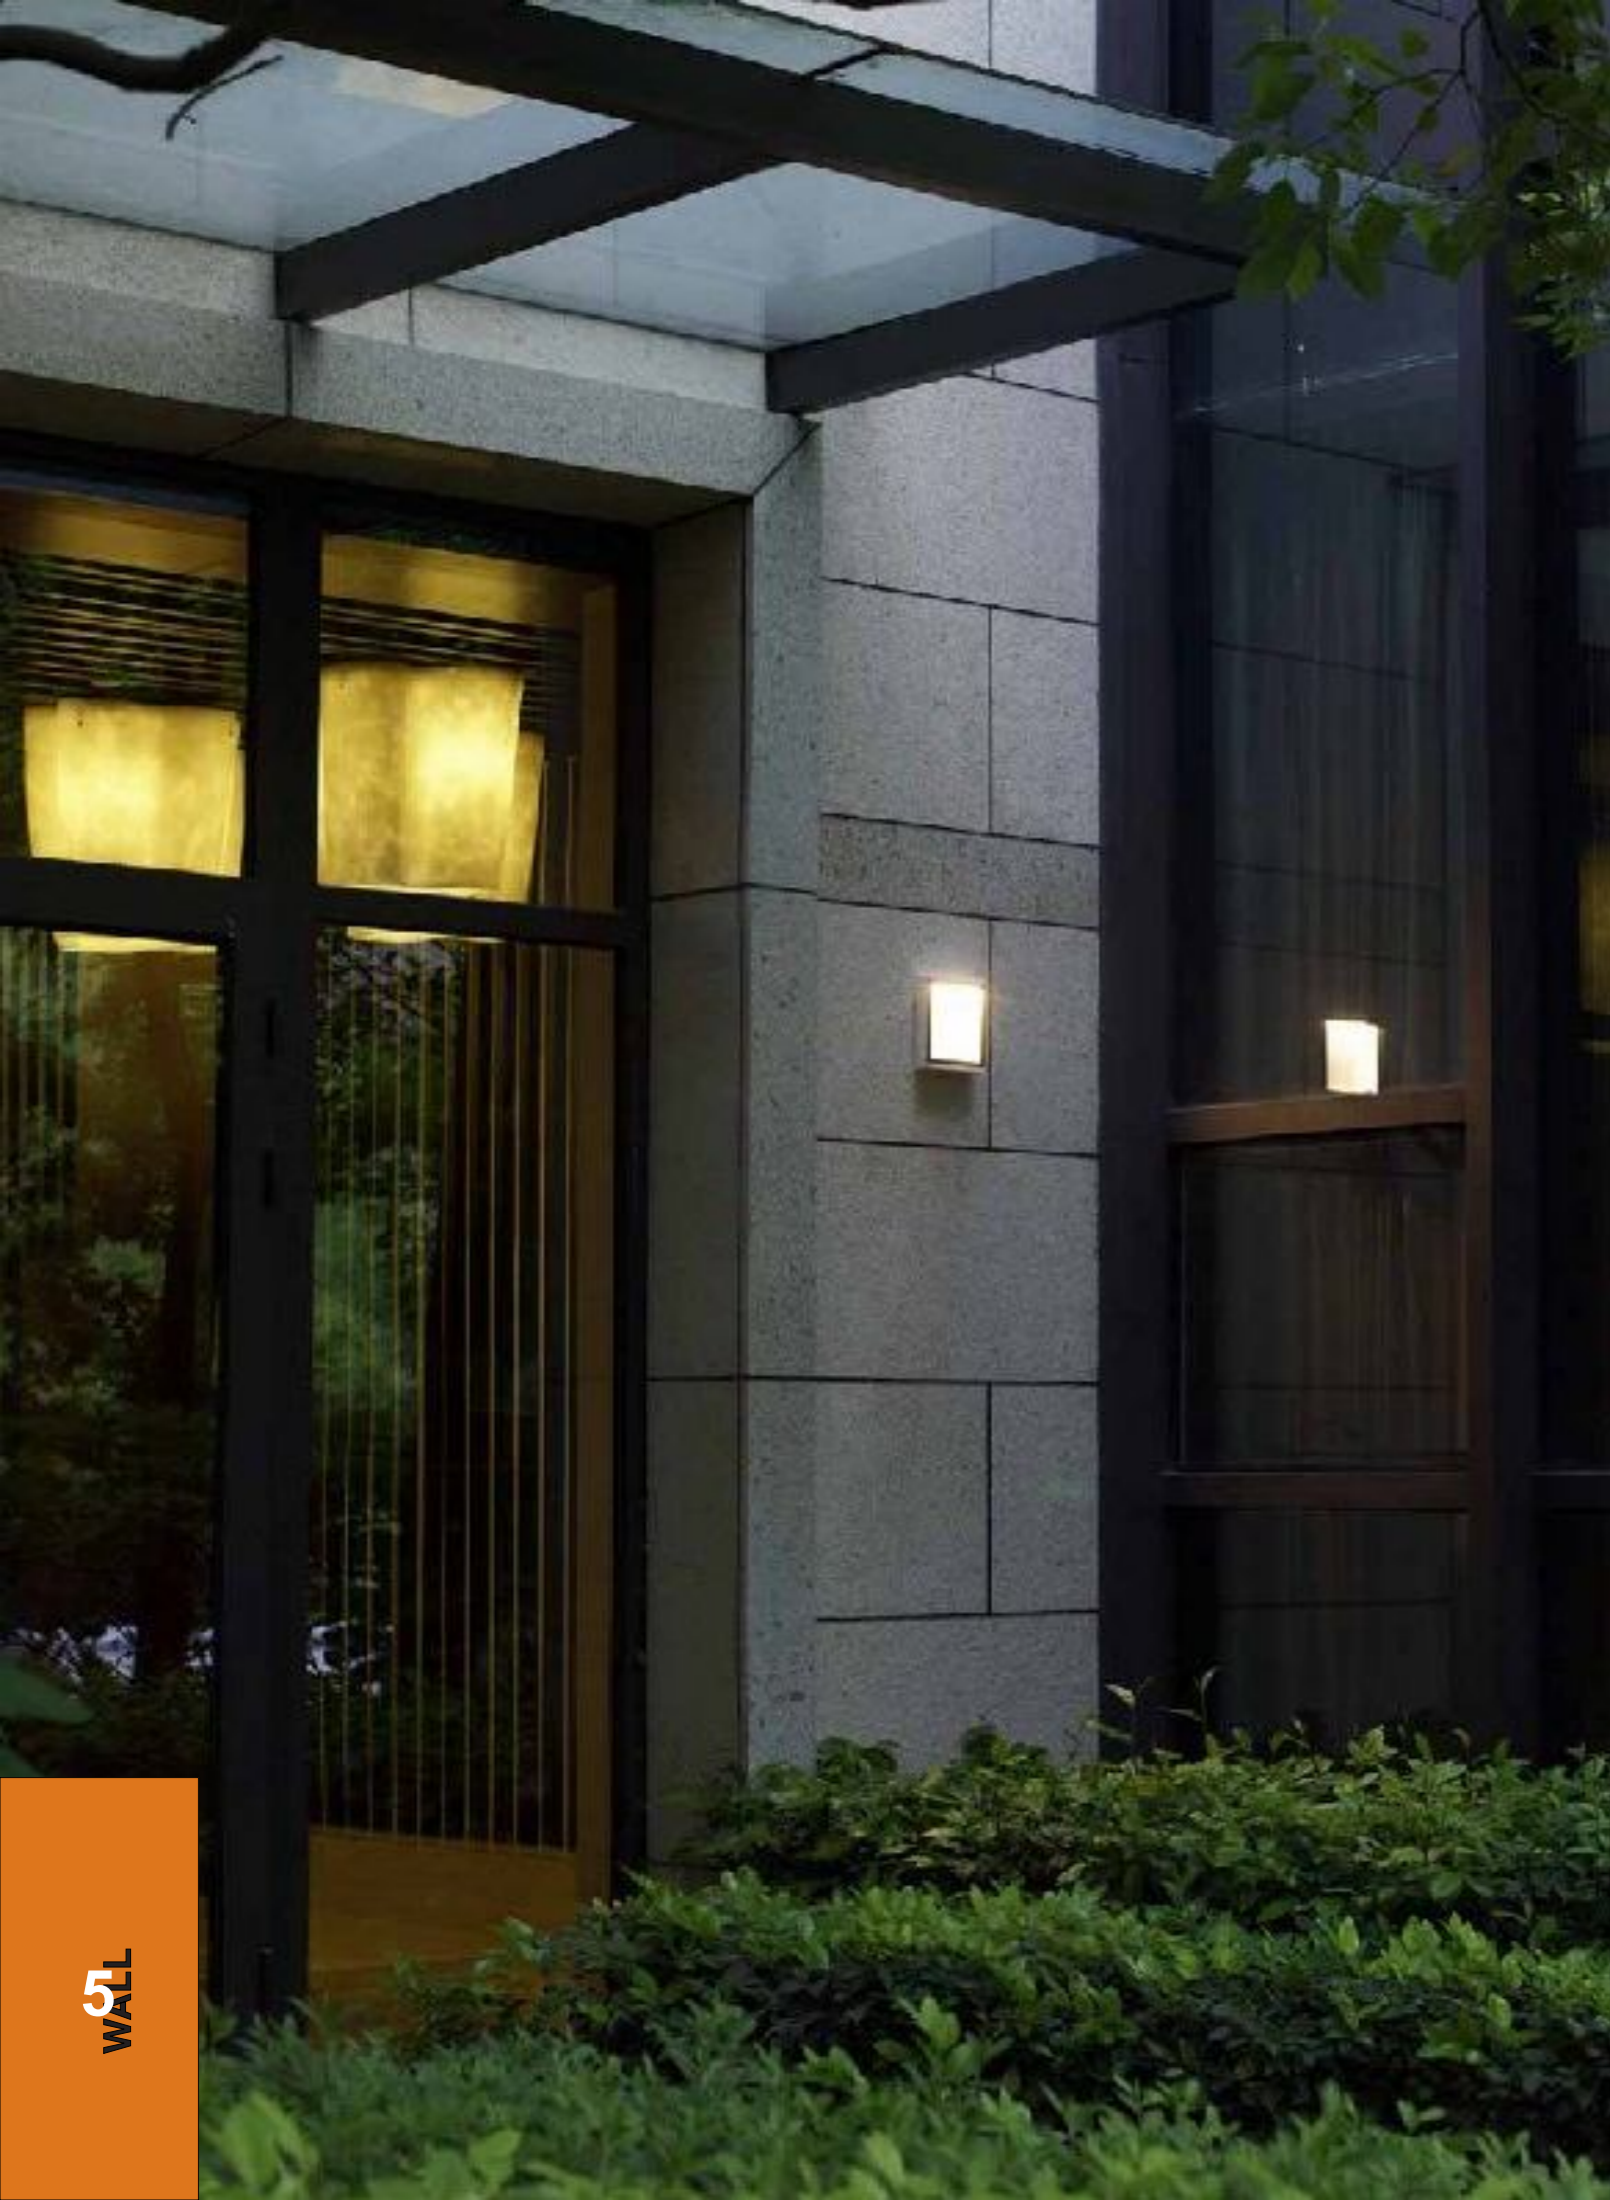

**LED Type:**  
5630 SMD LED

**Luminous Flux:**  
1076lm 3000K / 1184lm 6000K

**Safety Class:**  
I

**IP Protect:**  
IP54

1881

**Material:**  
Aluminium body with temper glass

**Voltage:**  
220-240V or 110-130V / 50-60Hz

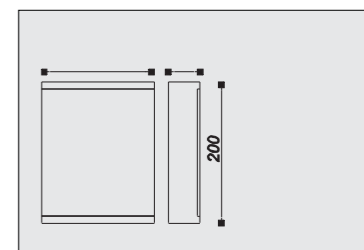

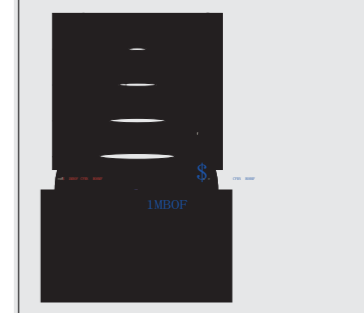

**LED Qty / Watt:**  
18xLED / 6W

**LED Type:**  
5630 SMD LED

**Luminous Flux:**  
740lm 3000K / 820lm 6000K

**Safety Class:**  
I

**IP Protect:**  
IP54

1882

**Material:**  
Aluminium body with opal PC

**Voltage:**  
100-240V / 50-60Hz

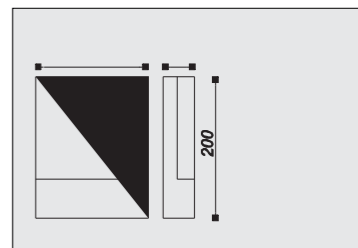

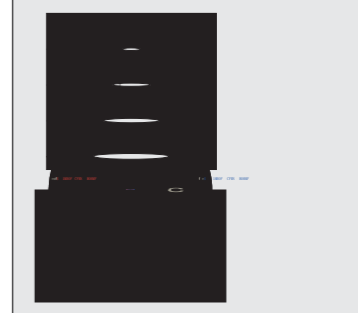

**LED Qty / Watt:**  
42xLED / 6W

**LED Type:**  
2835 SMD LED

**Luminous Flux:**  
800lm 3000K / 880lm 6000K

**Safety Class:**  
I

**IP Protect:**  
IP54

1861

**Material:**  
Aluminium body with temper glass

**Voltage:**  
100-240V / 50-60Hz

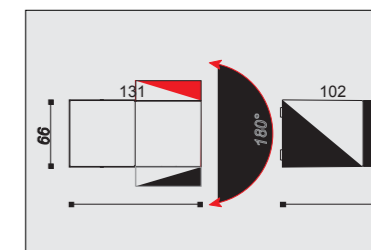

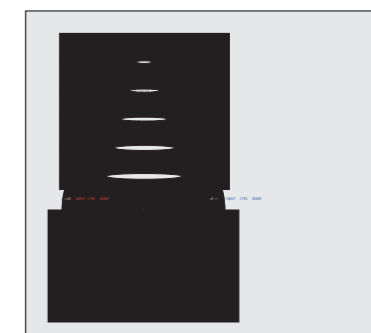

**LED Qty / Watt:**  
3x1W

**LED Type:**  
LED

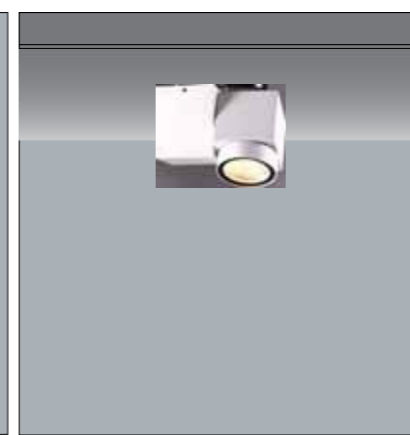

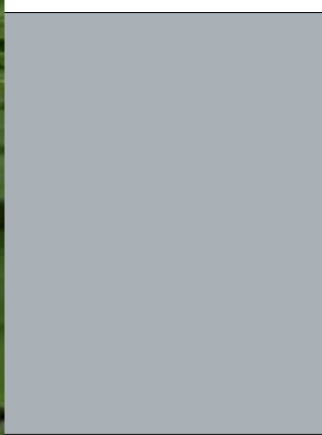

**Luminous Flux:**  
330lm 3000K / 360lm 6000K

**Safety Class:**  
I

**IP Protect:**  
IP54

Adjustable

**Material:**  
Aluminium body with opal PC

**Voltage:**  
100-240V / 50-60Hz

**LED Qty / Watt:**  
18xLED / 6W

**LED Type:**  
5630 SMD LED

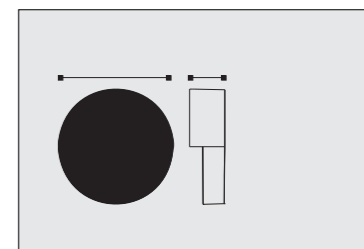

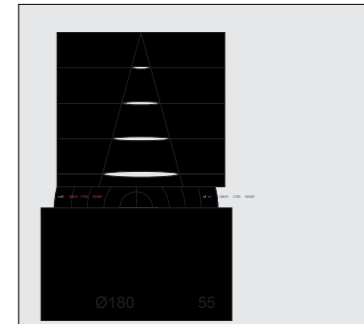

**Luminous Flux:**  
740lm 3000K / 820lm 6000K

**Safety Class:**  
I
